### **Provenance Note**

This collection combines two miscellaneous photograph collections into one photograph collection. Museum staff found these collections in the museum stacks unprocessed, and formed them into their respective collections.

### **Scope & Content of Collection**

This collection combines two previously separate (and still separate in PastPerfect) collections of miscellaneous accessioned photographs. Included in this new collection are several matted photographs of various people and places in Hyrum from the late 19<sup>th</sup> century and early 20<sup>th</sup> century. Among this are pictures of notable Hyrum residents, sports teams, early automobiles, and several group photographs. The smaller photographs are in folder 1, while the large matted photographs are inside the box without a folder.
