

Hot Wheels in Hyrum

Car Show Fundraiser

Saturday, June 11, 2022

10:00 am to 3:00 pm at the Hyrum City Square!

Hot Wheels in Hyrum is a highly anticipated car show fundraiser for the Hyrum City Museum. Each year hundreds of people look forward to starting their summer off by enjoying classic vehicles, eating delicious food, listening to music, and winning great prizes!

- This is the museum’s big annual fundraiser, which supports our free educational programs, interactive exhibits, and ability to serve as an inclusive community resource.

This is a fun, inclusive community activity and is the perfect opportunity for your business to garner local exposure!

- Today we are asking for you to be a **Supporting Sponsor** by giving either a cash or in-kind donation valued at \$100. In return, your logo will be printed on all of our marketing material, you will be listed on our website, and you may provide a banner to be displayed at the event plus information to be included in all our entrant packets.
- **Presenting Sponsors** (\$500 +) enjoy the Supporting Sponsor benefits, but with more prominent/larger logos at the top of all marketing material and additional recognition in press releases, social media, etc.
- **Event Sponsors** (less than \$100) will be listed on our website and in the entrant packets.
