In 2022 both collections were sorted properly and HCM\_017 was updated with the rest of the Krogue donation.

**Historical Note**

Emma Violet Payne, was born in Bloomington, Idaho, on August 12, 1914, to Mary Ann Thornock and Samuel Francis Payne. She attended the Bloomington four-room school for 8 years, followed by the Paris Academy (which burned down, so Emma attended a temporary school in Paris to finish her studies.) Emma loved drama and elocution and could recite many readings. She served a mission to the East Central States Mission from June 1938 to February 1940.

She married Widtsoe Washington Krogue on August 11, 1947. She lived around Bear Lake but moved to a nursing home in Logan, Utah for the last 5 ½ years of her life until she passed away in 2009. A few years after she passed her son, Lee Krogue, gifted his mother's cards, brochures, papers, and booklets to the museum.

**Scope and Content of Collection**

This collection consists of papers, cards, brochures, and booklets. One box of materials relating to Christmas and holiday cards likely sent to Emma Krogue. Many are from friends living in Cache Valley or in Salt Lake City, with a few others coming from outside Utah, including a card from Texas.

Many church manuals and LDS publications. Handwritten notes inside about interesting programs, people, etc. Of special note are a 1937 Missionary Handbook and a 1940 train ticket package (including time tables, vouchers, and other voyage-related ephemera) used on her return to Bloomington from her mission.

The donation also included a Japanese fan, housed separately.

Note: Included on the accession list are eight MIA stake leader newsletters dating from Oct. 1950 – Feb. 1952 (2014.1.17 - .24) and a talk or lesson outline manuscript (2014.1.30) that are currently not in the archival collection.
